

RITTIK MAITY (QUALITY ASSURANCE)

East Midnapore, West Bengal PIN-721425
8101950909 | maityrittik678@gmail.com

Objective

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

Experience

- SASMOS HET TECHNOLOGY LTD** 2023(JANUARY) - At present
QUALITY ASSURANCE(IPQA AND FQA)
Department - BOEING BCA,BOEING F18, SAAB,PILATUS, LOCKHEED MARTIN.

Key responsibilities:

- Maintaining Quality in the Production Line with On-Time Delivery And Zero defect Focus.
- Quality Inspection Experience: Skilled in conducting thorough inspections to ensure product quality and adherence to industry standards.
- Handling Quality Documentation
- Expertise in Quality Tools: In-depth knowledge of essential quality management tools such as 7QC Tools, ESD, 4M, 8D Problem Solving, and FMEA (Failure Mode and Effect Analysis), PPAP(Product Performance Approval Process)
- Documentation and Records Maintenance: Experience in maintaining and updating quality control documentation, ensuring up-to-date records for traceability and audits.
- Non-Conformance (NC) Management
- Product Verification (PV) Requests submitting Product Verification requests through Boeing's portal to ensure product compliance.
- Line Stoppage Protocols: Adept at initiating line stops when continuous defects are identified, prioritizing quality control and problem resolution.
- In-Process Inspections: Capable of performing in-process inspections during manufacturing or assembly stages to detect defects early and ensure compliance with quality standards.

Education

- Dream Institute Of Technology (M.A.K.A.U.T)** 2022
BTech In Electrical Engineering
77.5%
- R.R.K.G.P (W.B.S.C.T.E)** 2019
Diploma In Electrical Engineering
75.1%
- M.G.H.S (W.B.C.H.S.E)** 2015
Higher Secondary Examination
64%
- D.M.H.V(W.B.B.S.E)** 2013
Second Examination
76%

Skills

- 5s, Kaizen, 7 QC tools, PPAP, 8D

Extra Qualification

- ***5S Methodology Training**
 - *AAM Training
 - *Suryamitra Solar PV Installer From Saltlake Institute of Engineering and Management
 - *Vocational Training Completed at South Eastern Railway Workshop

Interests

- Playing Chess, • Reading Books, • Singing Songs

Languages

- Bengali, Hindi, English

HANDS ON KNOWLEDGE

- **Expertise in Quality Management and Inspection Processes:**
 - Measuring Instruments Expertise:** Proficient in using various measuring instruments, including Meger, Multimeter, Proximity Tester, Vernier Calipers, Height Gauges, and Feeler Gauges, for precise measurements and quality control.
 - BOM Knowledge:** Familiar with Bill of Materials (BOM) for ensuring accurate product specifications and assembly requirements.
 - Inspection Expertise:** Skilled in conducting various inspections, including First Article Inspection (FAI), Incoming Inspection, In-Process Inspection, and Final Inspection, to ensure quality standards are met at every stage.
 - Preparation of Inspection Reports:** Proficient in preparing First Article Inspection Reports (FAIR) and Final Inspection Reports (FIR) to document and verify compliance with customer and regulatory requirements.
 - Continuous Improvement Initiatives:** Experienced in implementing Kaizen and 5S methodologies on the assembly line to drive efficiency, enhance productivity, and maintain a clean, organized work environment.
 - COC Verification Knowledge:** Knowledgeable in Certificate of Conformance (COC) verification processes to ensure that products meet required standards.
 - Calibrated Tool Verification:** Skilled in verifying the calibration of tools to maintain measurement accuracy and compliance with industry standards.
 - Understanding Customer Standards and Requirements:** Strong ability to interpret customer standard documents and requirements, ensuring all products align with specified expectations.

Personal Details

- Date of Birth : 13/02/1997
Marital Status : Unmarried
Nationality : Indian
Gender : Male
